

Protecting C.A.'s Future by Preserving C.A.'s Legacy

"Those who cannot remember the past are condemned to repeat it."

Santayana (in *The Life of Reason*, 1905)

The Importance of Archives

On August 25, 1992, in the Bosnian city of Sarajevo, nearly two million books went up in flames. Fragile, 500-hundred-year-old pamphlets and vibrant Ottoman-era manuscripts disintegrated into ash as the building holding them, the National Library of Bosnia-Herzegovina, was shelled and burned. The burning of the National Library was an attack on more than physical objects, it was “cultural heritage destruction”: intentional and unnecessary destruction of sites and records that act as a community’s collective memory.

The Greek word “mnemonicide” (neh-MAHN-i-cide) — the deliberate removal of a public memory marker, often carried out by tyrannical regimes to blot their predecessors and opponents from history. - (Schultz 2015 “How Cultures Remember”). The destruction of archives and records is a destruction of the unseen, not of flesh and blood but that of the soul of a people. – (Sleeman 2006 “Cultural Genocide”)

The C.A. World Service Archive Committee collects, preserves, catalogs and curates the historical record of C.A.'s World activities.

Our archives can tell us more about our membership, our committees, our procedures and most importantly how we got from way back when to where we are now, which can have a tremendous bearing on where C.A. headed.

Our C.A. Archive can tell us stories and increases our sense of C.A. identity and helps us to understand of our fellowship, both locally and globally. This dynamic not only focuses our C.A. identity, it also facilitates C.A. Unity.

The Archives Committee of Cocaine Anonymous

We, as a World Service Committee and those of you as Archivists in your respective Areas have done much to collect and preserve C.A.'s history.

C.A. is an expanding global concern and our responsibility to preserve and protect C.A.'s legacy leaves us with much to do.

If you are not already involved in C.A. Service, please consider joining us in the Archives, either at the Group, District, Area or World level and play an integral part in protecting C.A.'s future, by preserving C.A.'s past.

Cocaine Anonymous Archive Goals

- **Create a District/Area Archive Committee**
- **Develop an archives policy:** clearly define its purpose, goals and the type of material it will acquire.
- **Collect appropriate C.A. material:** actively gather records from the District/Area/Group and the C.A. Fellowship at large.
- **Be responsible for the archival holdings:** know what material is in the archives and where it came from; storing the archives properly and securing it against theft, damage, and environmental or human hazards.
- **Make archival materials available for use by the C.A. fellowship.**

The Early Days

Los Angeles, California 1982

In the Beginning: November 16, 1982

Tom K., the owner of an "entertainment industry sober living facility called "Studio 12" identifies the need for a group for cocaine-addicted people to talk about their struggles and sobriety.

In November 1982, Johnny S. who has been sober through the Motion Picture Recovery House in the Valley gets a call from Tom K., the Director of the Motion Picture and Television Fund's alcoholism and drug program.

Tom K. plans to host an AA Meeting for addicts, specifically cocaine addicts, at the Motion Picture Fund in Hollywood, California" because if you go to AA meetings and talked about drugs, they asked you to leave."

The Beverly Glen Hospital had closed meetings on Wednesday nights only for patients, using the name, Cocaine Anonymous.

After the first November 1982 C.A. meeting took place, Beverly Glen opened their meeting on Wednesdays to everyone. **Within a week of starting, there were two Cocaine Anonymous Meetings by the end of Nov. 1982.**

COCAINE

What is the real cost?

**If you use Cocaine,
ask yourself these questions:**

1. Are you using more now than you were *6 months ago*?
2. Have you ever tried to quit, only to begin using again?
3. Do you think you use too much?
4. Has anyone ever told you that they are concerned about your use?
5. Do you prefer to use alone?
6. Have you gotten into financial or legal difficulties because of your use?
7. Do you limit your use to prove to yourself and others you don't have a problem?
8. Has Cocaine become your best "friend"?

If you have answered yes to any of these questions, Cocaine may be costing you more than you can afford.

Cocaine abuse can cost the loss of family, friends, career, financial security, reputation, health, even life.

the new hollywood connection: 'cocaine anonymous'

by Laura Daltry, LA Times, Calendar: Sunday, December 26, 1982 - pg 26.

The actress was nervous. In her 20s, pretty, with a face familiar from a continuing role on a popular TV series, she was facing 50 people in a Hollywood screening room on a recent night and talking about her drug problem and recovery. She rattled on at double speed in a high, girlish voice, her eyes searching for encouragement from friends in the audience.

"Morning after morning," she went on: "I promised myself I wouldn't do cocaine ever again, but by evening, it was, 'Well, just one little line (a small portion) and, after that one line. . .'" — shrugged "there was no stopping. I found myself hanging around with the sleaziest people—they had nothing

"Cocaine Anonymous" programs have begun in Los Angeles. One, involving a private group in Studio City, was organized by a man who attends Kenny's sessions. Another takes place at Beverly Glen Hospital (see accompanying article).

Kenny said he "was getting a lot of calls from people with cocaine problems. When I suggested they check out Alcoholics Anonymous, some said their problem was cocaine and they didn't think they could relate to A.A. So I got together with two or three people in the industry who had overcome their cocaine habit, and we started the meeting by word of mouth."

In five weeks, the attendance has doubled. Kenny is bracing to organize more such meetings after the holidays, to deal with the expected response to a major drug and alcohol awareness effort by movie studios. Kenny is preparing 25,000 "awareness cards" listing the warning signals of drug and alcohol addiction and his phone number. In early

Cocaine Anonymous World Services

Non-profit corporation effective June 18, 1984

In the beginning, C.A. was "Cocaine Anonymous of Los Angeles." But, due to the number of C.A. fellowships emerging across the country in the first two years, it was decided that a guiding organization for the country was needed.

In 1984 "Cocaine Anonymous World Services" was created. They retained a lawyer to expedite forming a non-profit corporation. The elected 3 trustees (Ray Grossa, Gil Mosko, and Jonathan Segal) and created an office board of a number of people.

1st C.A. Chips - 1983

C.A. Chips were created with the hope that they would be a unifying factor in the young fellowship.

Unfortunately, the hard, white square chip with letters and numbers would easily wear off and relapsing addicts would use them to chop cocaine.

Business meetings occurred every Tuesday night at the home of Johnny S. (May/June 1983) to work on public information, phone lines, formats, steps, traditions, chips, and logo. Meetings go on for hours.

Johnny S. was asked to come up with three words to epitomize the spirit of Cocaine Anonymous. Originally it was “Hope, Faith and Willingness.” But “Willingness” was too long. At the time, Johnny was listening to a speech by John F. Kennedy about having courage to do difficult things in your life. Johnny decided that the word “*Courage*” was appropriate because it fit nicely in the circle, and he felt “it took courage to walk into the doors of C.A.”

Early C.A. Northern California Sobriety Chips

Since Northern California had the first metal chip, the chip company would not make chips for C.A. World Service. In 1987 Northern California deeded to C.A. World Services the right to make metal chips with the C.A. logo that was voted on in 1986 first World Service Conference.

Early C.A. Media Hype

April 11, 1983, Time Magazine Cover features a story on fighting cocaine's grip on millions of users. The article references Cocaine Anonymous..."In Los Angeles, new Cocaine Anonymous groups draw 700 people to weekly meetings."

Media awareness and public information was vital to the early growth of C.A.

May 8, 1983, The Los Angeles Herald Examiner publishes an extensive article on cocaine abuse in the canyons of Beverly Hills and the streets of South Central L.A. The article highlights the good works of Cocaine Anonymous.

Chris Gulkar/Herald photographer

"People help each other, they heal each other, through understanding. A lot of people have a lot of wreckage in their life that's caused by cocaine. They have a lot of emotional pain. They have to deal with that, and it's not easy a lot of times."

Tom Kenny

Tom Kenny, director of an alcohol and drug abuse program for the Motion Picture and Television Fund, started Cocaine Anonymous.

their accountants may hit them over the head and say, 'You don't have any more cash to pay for cocaine.' "

Not only is cocaine the most addicting of drugs, it is also the most expensive. In Los Angeles, most cocaine comes directly from Colombia, (bypassing the Miami connection which supplies the East Coast) where the Peruvian coca leaves are refined into crystalline white cocaine. Chicago C.A. Inception – 1st Meeting

Thursday, May 5, 1983

Tony S., and Greg D., original C.A. Members of Chicago, gets the first meeting going at the Martha Washington Hospital.

There was a recovery center in the hospital and Tony was given a room for an answering machine and phone number for the beginnings of Chicago C.A. Then a second meeting soon afterwards started on Tuesday night.

Tony S. (Chicago C.A.), was responsible for writing the 1st draft of, "To The Newcomer" (1st C.A. Pamphlet) and "Who is a Cocaine Addict?"

The fellowship in Los Angeles loved the piece, "To The Newcomer," and it was immediately incorporated it into C.A. Meetings and Starter Kits. This piece of literature is still with us today. And it has never been changed.

Early C.A. Chicago 1983-1986 Prototype Octagonal Sobriety Chips

The Octagonal Shape of Chicago's Sobriety Chip was chosen because it replicates a "traffic stop sign" signifying the amount of time a C.A. Member had "stopped" using cocaine. The early "C.A." logo (pictured right) was designed by Randy R. of Chicago.

Atlanta, Georgia had their own sobriety chips too. When Georgia was ratified as an Area at the 1st World Conference Feb. 8,9, 1986, it was agreed that they would buy their sobriety chips from World Services in L.A.

Coc-Anon | Co-Anon 1983

Co-Anon was started by Johnny S.'s wife, Janine P. It was initially named Coc-Anon.

Johnny S. reported his wife would get upset with him about having the meetings at their home all the time and Johnny S. suggests that C.A. needs a group like Al-Anon and that she should start it.

Sometime during the second year of C.A., she did.

At the 1st World Conference (Feb. 9, 1986) it was ratified: "WSO approved literature – whenever Cocaine is mentioned it should read "Cocaine and all other mind altering chemicals." Cited in the 2nd World Conference (July 2, 1986) minutes, under "Qualifications for a Trustee," point 5, it reads, "A minimum of 2 years of continuous abstinence from cocaine and all other mind altering substances." **The First Step of C.A. was changed to say,** "Cocaine and all other Mind Altering Substances when the 12 Steps and 12 Traditions were ratified at the 3rd WSC, on March 22, 1987.

March 1987 — 3rd World Conference: Woodland Hills, California. At this conference, it came up that there seemed to be an imbalance of our voting procedures. Lionel's motion that **ONLY THOSE PEOPLE WHO ARE ALLOWED TO VOTE ARE THE ONES PERMITTED TO DISCUSS PROPOSALS AT THE MICROPHONE; THAT INCLUDES DELEGATES, TRUSTEES, AND ONE VOTE FROM THE WORLD SERVICE OFFICE** was passed (45 to 15). They were not happy. And original Office Board left the conference in protest. One member stayed, and became the Conference Chair. His name was Lionel. Shortly after the conference, the WSBT had to appoint an Office Board to replace the walk out members. (March 1987 Conference Minutes - Summary of Motions).

November 1987 — 4th World Conference: Bylaws and Charter were approved and 70/30 Plan was created and passed.

August 1988 — 5th World Conference: Descriptions of Areas, Districts and Regions were created, along with who can use the C.A. name.

August 1989 — 6th World Service Conference: The A.A. Big Book and A.A. 12 Steps and 12 Traditions were accepted as our tools of recovery. Passing this motion made by the LCF Committee (Alan S. was the Chair) allowed the Big Book and the 12 X 12 to appear on the tables of C.A.

A FUNNY THING HAPPENED ON THE WAY TO AA

One of the original nineteen members recalls the beginning of Cocaine Anonymous, what happened, and what it's like today.

I have been a member of Cocaine Anonymous from its beginning and I owe my life to the people who pushed to give CA its own identity and took commitments to keep CA going. I might not have made it those three-and-a-half years without a place to go and talk about my Cocaine problem.

I was nearly ninety days sober in November of 1982 when someone handed me a yellow notecard at an AA meeting. The card read: AA FOR COCAINE—TUESDAY NIGHT, and it gave an address. This was for me. Up until then I had whispered "Cocaine" under my breath at AA meetings when they said alcohol. Nineteen sober men and women showed up at this meeting.

The Alcoholism Director of the Motion Picture Industry Health Fund had called the meeting in the hopes of finding a program he could refer all the calls he was getting from people with Cocaine problems who didn't feel they had a drinking problem. Some, he said, didn't drink at all.

At one time the Whatever Meeting was listed in both the CA meeting directory and the AA meeting directory at the same time.

Most of the nineteen of us all had found our way into AA from Cocaine; yet we didn't feel comfortable starting up an entirely new program...at least not that Tuesday night. There was discussion about how simple a process it could be—just change alcohol to cocaine in the steps and Ringo's instant program. Still, that first Tuesday everyone's allegiance was to AA. The group consensus was that this Tuesday night meeting would be an AA meeting called the "Whatever" Meeting and anyone could share and take chips. We would risk not being a true AA meeting and not getting listed in the AA meeting directory for letting non-alcoholics participate and take chips.

At one time the Whatever Meeting was listed in both the CA meeting directory and the AA meeting directory at the same time.

World Service conference Seeks unity nationwide

Delegates from as far away as New York, Florida, Alaska and Hawaii are expected to attend the 1st World Services Conference in San Diego, California, February 7-9. Their objective? To establish nationwide unity and open up meaningful communication between the close to 20 states across the U.S. actively participating in the growing Fellowship of Cocaine Anonymous.

"This is not a convention," stressed Conference Committee Chairman G.M. "It is a business conference where we'll be dealing with the immediate needs of the Fellowship and forming committees in an effort to set up guidelines for the future."

The 2nd Annual World Services CA Convention is tentatively scheduled to be held in San Diego, California, July 11-13. Watch for further information in our next edition.

Committees to be formed include: a Conference Committee to prepare an agenda for the next conference, a By-Laws Committee to write amendments to By-Laws currently in effect, a Literature Committee to gather drafts of new literature for publication, a Public Information Committee to interface with the general public and a committee to compile and distribute a National Directory.

In addition, elections will be held to elect officers to attend the next World Services conference. Details of this first conference, what took place, what was resolved and who got elected to what will be reported in the next issue of *The Connection*.

CHAIR'S CORNER:

Unity the goal of new board

I am honored to have been asked by the trustees of Cocaine Anonymous to fill temporarily the position of chairperson of the World Services Office. I am committed to making the World Services Office function smoothly and properly.

Temporary directors and committee heads have all been chosen with great care. We represent the fellowship as a whole. As a board, we look forward to working with all the areas we represent and invite you to get involved. We welcome your participation in making this new office work.

I am looking forward to being of service and hope to meet many of you at the World Services Convention in San Francisco.

12 Steps, Traditions approved at World Services Conference

More than 50 delegates from across the country approved several important documents at March's World Services Conference in Woodland Hills, CA.

The 12 Steps of recovery and the 12 Traditions of Cocaine Anonymous were officially approved as were the 23 questions to help determine who has a problem. The steps and traditions were adapted from Alcoholics Anonymous with changes to indicate addiction to cocaine rather than alcoholism.

The new "To the Newcomer" brochure that had been making its rounds at individual meetings failed to be approved and is back on the drawing boards. The old "To the Newcomer" brochure will continue to be used.

Jennifer R., Ray G. and Greg D., trustees from New York, Riverside, CA, and Chicago, respectively, attended the Alcoholics Anonymous General Service Board of Trustees meeting in New York and reported that they were well received.

They were given permission for C.A. to adapt the 12 Concepts for World Service for use by C.A. Those concepts also were approved at the Woodland Hills conference.

Johnny S. of Rancho Palos Verdes, CA, announced his resignation from the Board of Trustees at the conference.

It was announced that the 1988 World Services Convention will be on the July 4 weekend in Chicago and that the next World Services Conference will be in November in the Los Angeles area.

Also approved was the purchase of a computer for the World Services office.

WSO San Francisco Convention

Workshops, dances and banquets will be on tap July 4th weekend in San Francisco for the Third Annual Cocaine Anonymous World Services Convention.

Hundreds of members of the fellowship are expected at the Ramada Renaissance Hotel near Union Square in downtown San Francisco for the July 3-5 convention.

It all begins Friday, July 3, with a dance featuring (reality!) the Zasu Pitts Memorial Orchestra.

Saturday is the big day of the convention with a full schedule of workshops on such topics as sponsorship, nutrition, relationships, sex and sobriety and the Fourth and Ninth steps, special meetings for women, men, gays and young people and round-the-clock marathon meetings. The day ends with a banquet, speaker meeting and disco jockey dance.

The convention ends Sunday with a farewell breakfast, spiritual speaker and closing ceremonies.

Cost for the convention is \$20 for those who register before June 15 and \$25 for those who register after that date. The Saturday night banquet is \$25 and the Sunday morning breakfast \$10. For those who register for both the convention and the limited-seating Saturday banquet will receive a free convention T-shirt.

Rooms at the hotel are \$75 for either a single or double and reservations should be made directly with the Ramada Renaissance Hotel, 55 Cyril Magnin, San Francisco, CA 94102-2865, telephone 415/392-8000.

Conference reservation forms are available at most meetings or reservations may be made by writing to C.A. World Services, San Francisco Convention Committee, P.O. Box 4802, Mt. View, CA 94040.

Ann Landers applauds C.A.

Chicago Tribune, September 13, 1988

- A letter and reply by Ann Landers in which the author of the letter Cocaine Anonymous as essential to her husband's continuing recovery.
- Signed it "A True Believer"
- Ann Landers replied by printing the address and phone number of the WSO.
- Response was phenomenal: over a 3-day period, Helene H. WSO Chairperson reports receiving over 600 letters of inquiry!

Dear Ann Landers:

"Teardrops in Shreveport" wrote that what had been a warm relationship with her husband has turned into a cold war and her marriage is falling apart. You suggested that he might have a fear of intimacy or that he may be having an affair with another woman.

Ann, I could have written that letter myself two years ago. I would bet anything that Teardrops' husband is having an affair, not with another woman, but with cocaine. His coldness and indifference are classic symptoms of an addict who is hiding his drug use.

Please make this woman aware of this. Take it from me, I've been there. Two years ago my husband went to a rehab clinic and he has been clean ever since. It's been a long, difficult road and our marriage is by no means perfect, but we're together now and the worst is behind us.

We couldn't have done it without the excellent support provided by Cocaine

Anonymous. Please plug the growing self-help organizations, Ann. They do a fabulous job.—A True Believer in Lake Ariel, Pa.

Dear Believer:

Cocaine Anonymous often succeeds when other attempts to get off the junk have failed. This organization has more than 1,000 groups and is based on the concept of Alcoholics Anonymous—people who share a common problem.

Anyone interested in learning about a chapter near you can write or call: Cocaine Anonymous, P.O. Box 1367, Culver City, Calif. 90239. The phone is (213) 559-5833.

“ENFORCE IT OR LOSE IT”

C.A. Battles to Protect Copyright Privileges

July/August 1989 – Trustee Jack P. spearheads “Enforce It or Lose” campaign whereby C.A. battles to protect copyright privileges. In 1989, a Dr. Baron advertised a C.A. recovery program in Houston, Texas by the name of “C.A. Aftercare.” C.A. had to defend itself by sending communication to Dr. Baron that this was not an organization that had anything to do with C.A. It came to the point where this issue may have had to go to court. But after much communication between our C.A. lawyer and Dr. Baron he finally changed the name of his program.

First C.A. Meeting Outside the United States

Montreal, Quebec, Canada, August 21, 1986, Robert F. meets with his friend, **Dave S.** who is dating a woman from California who introduces him to some C.A. meetings. Dave's enthusiasm for C.A. — a fellowship where one could talk freely about drugs—inspired Robert F. and together they ordered a C.A. starter kit and on a Thursday night, August 21, 1986, the first Canadian C.A. meeting was held in Montreal, Quebec—*the first C.A. meeting outside the United States*. There were about 20 people who attended. Dave S. was the speaker and Robert F. was the secretary.

C.A. Publications

Alan S., LCF Chair, brought an idea to the 1989 Conference that C.A. should have its own book comprised of stories from our members. Stories from around the C.A. fellowship were collected, selected, edited and approved. Bill Z. (San Diego, CA), as the chair of the LCF CA Book sub-committee contributed greatly to getting HFC to publication in 1993. It was a HUGE success for C.A. garnering a “pre-sale” of hundreds of cases of books.

Recovery on my Mind

The Early Days of C.A. in Atlanta, Georgia

Addicts anonymous

Help is on the way for those who suffer from cocaine addiction.

The first Atlanta area meeting of Cocaine Anonymous is scheduled for Aug. 1 at 8 p.m. at St. Patrick's Episcopal Church, 4755 North Peachtree Road in Dunwoody.

"There will be people there who are recovered cocaine addicts. They will share their experience in overcoming the addiction," a spokeswoman, who asked to remain unidentified, said.

An estimated 50 to 75 people are expected at the first meeting.

The Atlanta Constitution, Thursday, July 28, 1983, p. 26

According to Leon K., Dock Crandall, an A.A. member brought C.A. from California to Atlanta, Georgia in August of 1983 because many of his prospects were "cocaine junkies."

According to Leon K., says "Dock" was killed accidentally on a 12 Step call to one of his sponsees who had relapsed and was going to commit suicide with a shotgun. "Dock" tried to intervene and the shotgun accidentally discharged killing "Dock" November 26, 1985.

RECOVERY

The Newsletter Of Cocaine Anonymous Of Atlanta

Issue 1

Here's What RECOVERY Is All About

It's about us. CA in Atlanta has been growing fast, and we now have dozens of meetings per week, attended by hundreds of people. And we needed a way to keep all of us up-to-date on meetings, birthdays, special events and other news. Word of mouth just doesn't get it anymore.

So, the GSO decided the easiest way to get the word out would be a newsletter. You're looking at the first issue.

Of course, getting out a newsletter -- a monthly newsletter, we hope -- is easier said than done. And if this thing is going to be a success, we need your help.

Here's What You Can Do

Before we can keep you on top of things, you have to keep us on top of things. We'll depend on the secretary-treasurer of every meeting to let us know about schedules, birthdays, people telling their stories, and whatnot. So if you have some news, give it to a meeting secretary. PUT IT IN WRITING! Remember, we're all brain-damaged; it's easy to forget things.

If you have an idea for an article, story, anecdote, joke, or anything that's fit to print, talk to one of the editors. We welcome contributions from anyone, really.

Here's your chance to become a journalist. Or, if you can draw, you can become a drawer.

If you see something published elsewhere which would be of interest, bring it to us.

The closing date for each issue of RECOVERY is the Saturday after the GSO meeting. It may be the first Saturday of the month. Then again, it may not. (The GSO meets on the first Wednesday of every month.)

RECOVERY, the newsletter, will probably be a lot like recovery, the process. It can be a lot of fun, or it can be a chore. It just depends on what we put behind it.

Cocaine Anonymous is a fellowship of men and women who share their experience, strength and hope with each other so that they may solve their common problem and help others to recover from their addiction. The only requirement for membership is a desire to stop using cocaine and all other mind-altering substances. There are no dues or fees for membership; we are fully self supporting through our own contributions. We are not allied with any sect, denomination, politics, organization, or institution. We do not wish to engage in any controversy and we neither endorse nor oppose any causes. Our primary purpose is to stay free from cocaine and all other mind-altering substances, and to help others achieve the same freedom.

We use the [Twelve Step Recovery Program](#), because it has already been proven that the Twelve Step Recovery Program works.

1994 - Two members of the 1994 Conference, Craig H. (Midwest Regional Trustee) and Jim S., a delegate from Northern California Area brought a motion to the Conference floor through the Public Information Committee. This motion was to obtain an internet domain (ca.org) and to put up a very limited web site on a server that Craig H. managed. The site was to be limited to the Preamble, the Self-Test and local telephone contact numbers. The "Escape Cocaine" billboard art was also used. This motion passed after considerable debate.

The **domain ca.org** was registered on **October 20, 1994**. The site was online shortly thereafter generating a small number of telephone contacts to CAWSO. There was no e-mail address. **CA was the first 12-Step Fellowship** to have such a web site—NA, AA and Al-Anon all put up sites during the following year.

1995 - PI brought a motion to the Conference floor to add certain specified information to the website, such as "What is CA?", "...And All Other Mind-Altering Substances" and "To the Newcomer." The motion passed with an amendment to allow the PI committee to add Conference-approved information at its discretion.

Kevin M. undertook a redesign of the website. More pieces were added: a page on the Storybook, the PI Fact File, the 12 Steps and 12 Traditions, "Crack", and some of the results of the PI Survey of the previous year and an opening page describing the Fellowship and its goals. There was still no e-mail contact listed.

This new version of the site went up, but it should *have been reviewed and approved first* by the WSBT and/or the WSOB, but none of them had Internet access!

1996 - The new website was formally announced at the Conference and made available for viewing by the fellowship. E-mail addresses for Public Information inquiries (pubinfo@ca.org) and for technical comments (webmaster@ca.org) were also created, and all of these addresses were listed on the web site.

1996 - A motion was passed at the 1996 World Conference that any future *substantive* changes to the site would require Trustee or Conference approval and a motion was passed to translate the web site into French. The Montreal Fellowship translated the web site into French, and provided text and *detailed* information on how that text correlated to the English version, so that posting the French web site was merely a technical issue. The French version of ca.org went up August 1, 1997, with WSO approval.

First Online C.A. Meetings

On February 1, 1997 the "Hope, Faith & Courage" (aka HFC) became the first online/virtual meeting facilitated through email.

Initially a speaker/discussion meeting patterned after AA's "Lamplighters" online meeting, but soon changed to mostly a discussion format.

In time, the "speaker" portion of the meeting was replaced by inviting people celebrating a birthday to post their stories online. After a slow start, the meeting began to thrive. Due to the very low initial cost of operating the meeting, no 7th Tradition was taken initially. After some discussion, and a long talk with former Trustee Bob L, it was decided that the HFC meeting needed to take a 7th Tradition, as this was the only one of the 6 points regarding group status that HFC was not currently meeting.

1998 - In August, the second email subscriber meeting, "KISCA," was started.

1999 - Two more email meetings were formed, "Sisters in Sobriety" and "The Study."
